

2026-2027

**Outdoor weddings  
with the freedom  
to fulfil your  
dreams.**

# Welcome

Set in the heart of the beautiful Worcestershire countryside Bell Heath is a wedding venue with a difference. Imagine greeting your guests amidst the ancient woodland, enjoying a picnic in the fields then dancing the night away in a bunting filled hall before settling down with your guests to enjoy toasted marshmallows under the stars.

# Everything You Need, Nothing You Don't

## **Come rain or shine, you're covered.**

Our wedding spaces are built for all seasons; with an outdoor canopy, indoor rooms, and a woodland terrace that lets you keep the natural feel even if the skies open. You won't be dodging downpours or compromising on atmosphere.

## **Easy arrivals, no drama.**

We've got generous on-site parking and coach-friendly access, so whether your guests are local or travelling from afar, everyone gets here hassle-free.

## **Your drinks, your rules**

While we don't have an alcohol license, you can apply for a simple Temporary Event Notice (TENS) to serve your favourite drinks.

## **The best part? We never charge corkage.**

That means prosecco towers, home-brewed ale, outdoor gin bars and toasts with homemade elderflower fizz – all welcome.

## Stay the Weekend, Not Just the Night

No taxis. No curfews. No shuttling guests in the rain.

Your hire includes dorm-style accommodation for up to 78 guests: comfy, cosy and right on site.

Upgrade to our private Woodland Cottage (sleeps 6-8) for that romantic “just married” moment in the wood-fired hut tub under the stars. It’s rustic luxury, Boundless style.

## Real Words from a Real Couple

“Our Boundless wedding was exactly what we could have hoped for, it was relaxed, open and intimate. The Boundless team were helpful, thoughtful and full of fun. We had so much fun and freedom enjoying our festival inspired wedding day on Bell Heath’s beautiful grounds.

Thank you for an unforgettable weekend.”

# Here's How It Works

- Book a viewing**

Use the QR code or visit our website and arrange a viewing. We'll put the kettle on.

- Pick your date**

Choose your perfect season, then secure your date with a deposit.

- Plan your vibe**

Bring your own caterers, florist, DJ, or keep it lowkey and DIY. We're a blank canvas, not a rulebook.

- Move in the day before**

Dress the space, drop off the drinks, hang the bunting, light the firepit.

- Celebrate your way**

Marry under the trees, raise a glass under the stars, dance like no one's watching.

- Wind down with brunch**

Ease into married life with coffee, croissants and barefoot hugs before heading home.
