

MALVERN HILLS OUTDOOR EDUCATION CO LTD

SOUTH BLOCK ACCOMMODATION PLAN

This planning sheet is to be used by the course leader to allocate accommodation to suit their needs and must be returned to the centre prior to the course commencing. To minimise our laundry, domestic duties and course costs it would be appreciated if students were allocated using as few rooms as possible.

Generally Bredon and Abberley accommodate male students with Clee and May providing nearby male staff accommodation while Midsummer and Cotswold accommodate female students with Lickey, Beacon & Frome offering nearby female staff accommodation.

Please contact the centre office if you feel it necessary to discuss alterations to the room plans.
