

Dear Parent/Guardian,

We are pleased to let you know that we have arranged a residential trip for our pupils to Boundless Outdoors.

Trip dates:

Location/Site:

Cost per pupil: £

This visit gives children the opportunity to take part in a range of outdoor and adventurous activities designed to build confidence, teamwork, resilience, and independence. Activities may include things such as climbing, problem-solving challenges, team games, nature exploration, and other instructor-led outdoor experiences.

Boundless Outdoors is a well-established outdoor education centre set in the beautiful Malvern countryside, with experienced, qualified staff who specialise in working with school groups. The centre provides a safe, supportive environment where children can challenge themselves, try new things, and learn outside the classroom.

During the stay, children will be fully supervised by both school staff and Boundless instructors at all times, including overnight. If your child/children at any point during the trip feel homesick, both school staff and the Boundless Outdoors team are well experienced and will be there for support.

What the cost includes:

- Accommodation
- All meals
- All activities and instruction
- Use of safety equipment

What the cost does not include:

- Personal spending money (if permitted). As there is a small gift shop on site, children can bring £5-£10 to spend on the final afternoon of the trip.
- Travel to and from the centre (if applicable)

Medical, Dietary, and Additional Needs

Please ensure you inform us of any medical conditions, allergies, dietary requirements, or additional needs when completing the consent form so that we can pass this information on to the centre.

Behaviour Expectations

As this is a residential visit, we expect all pupils to follow the school's behaviour policy so that everyone can enjoy the experience safely.

Additional Information
